

150-acre development planned in Northlake

10:56 PM CDT on Tuesday, October 3, 2006

Developers are planning a 150-acre, mixed-use complex in the Denton County town of Northlake. The 1.6 million-square-foot development on Interstate 35W will have shops, entertainment, a hotel, restaurants and office space, Trophy Design and Development Associates said Tuesday.

The project is about two miles north of Texas Motor Speedway and developer Hillwood's Alliance Texas complex.
